# Visual Arts

Monday

Painting, drawing, printmaking, sculpture, ceramics, photography, video, film making, design, crafts, and architecture are all visual arts. Learn the skills of the greatest artists of all time, such as Van Gogh, Picasso and many more.

**Sept - Painting - Impressionists**

**October - Drawing - Charcoal**

**November - Printmaking**

**December - Painting - Abstract**

**January - Sculpture**

**February - Painting - Expressionism**

**March - Design**

**April - Photography**

**May - Painting - Portraits**

A large exhibition will be held at the end of May in Daly Hall for the whole community to showcase our student's skills

For Visual Arts, Ms. Reggie has become one of our most talented artists here at Mitsui, she is the first teacher we call upon when any large art project is under way. She has more than 5 years experience with arts.

# Sports

## Tuesday

Making sure our physical development is on track is equally important to our mind. We will focus on lots of sports, and build our team spirits.

**Sept - Basketball**

**October - Soccer**

**November - Tennis**

**December – Squash**

**January - Volleyball**

**February - Baseball**

**March - Golf**

**April – Track and Field**

**May - Ping-Pong**

A Sports event will be held in April with the students on Perry Field to showcase what skills the students have learned throughout the year

For Sports, Mr. Jose has been a competitive athlete in his private time for many years. He plays in a basketball league and his team is very successful. He is keen to share the skills he has learned with all of the children at Mitsui and the compound.

# Study Class

## Wednesday

Its so important to keep up our academic levels, reviewing what we learn in the classroom, as well as working on our spelling, reading, writing, comprehension and arithmetic.

**The lessons will be catered towards the students in each class. Focus points will be on phonics – the foundation to learning to read and write.**

**The program will also cover comprehension skills, problem solving skills and learning to focus and pay attention.**

A Spelling Bee competition will be held in May for all students, to show case their skills

For study, Mr. John is a qualified Kindergarten and Elementary School Teacher. The Teaching Profession runs in his family. He has gained skills in teaching language to second language learners as well as native speakers in USA. He has endless games and chants that will develop every young students abilities in English.

# Music

## Thursday

Using all the instruments, we will make our own band. With modern pop music and culture we will learn to dance and put on a show for parents. With song – and lots of karaoke - we will learn to sing, performing for you.

- Sept – Musical Instruments**
- October – Beat and Rhythm**
- November – Band Performance**
- December – Dance - Classic**
- January – Dance Performance**
- February – Dance - Modern**
- March – Dance Performance**
- April – Singing - Classics**
- May – Singing Show Time**

Performances will be held in November, January, March and May.

Ms Akemi U will take us on a magical musical journey. With her Masters in Musical Education, she will be able to teach us how to work together to create our very own musical band.

Mr Jose will team up with Ms Akemi and with his love of Modern Pop Culture Music he will introduce another musical world to us.

# Japanese Culture

Friday

While staying in Japan, it's important to learn as much as we possibly can and experience as much as possible. We will learn about 7-5-3, Children's Day, Hina Matsuri, and among other things - the Tea Ceremony.

- Sept** – Language Introduction
- October** – Japanese Art of Origami
- November** – Shichi Go San
- December** – Toshikoshi
- January** – New Year Calligraphy
- February** – Setsubun
- March** – Hina Matsuri
- April** – Sakura Hanami
- May** – Children's Day

A tea ceremony will be held in March for all students and parents to attend.

Children will make Traditional tea for all to try.

Our study of Japanese Culture will be led by Ms Ryoko. She will teach us all we need to know about Japanese culture. We will also learn hiragana and lots of new vocabulary.
