Our summer program will be a perfect blend of fun and learning, offering handson activities like creative arts, outdoor exploration, science experiments, and engaging storytelling that spark curiosity and imagination.

Through play-based learning and interactive experiences, children will develop important social, cognitive, and motor skills while making wonderful summer memories!

Please note that themes and activities may change throughout the camp depending upon children's conditions, supply availability and other unforeseen circumstances.

Thank you for your kind understanding

Health Protocols

As recommended by the CDC, we will adhere to the following guidelines, and we expect you to as well.

Your Child Should Stay Home If they exhibit any of the following symptoms:

Fever over 99.5 degrees Coughing Shortness of breath Diarrhea Stomach Upset of any kind **Runny Nose/Congestion Fatigue** Malaise

Sign In

Parent Drop-Off and Pick-Up

Parents will drop off/pick up children outside of the classroom. Head Teachers will do morning screening checks

- Overall assessment of child's condition
- A series of questions by Head Teacher
- Verification no medication has been administered to mask any symptoms

What if we don't pass screening?

You will be asked by the teachers to return home, and come back when the child has been symptom free for 24 hours and the head teacher agrees the child's condition has improved sufficiently at the next screening

Strict Exclusion Policy

Please be sure to read the

Exclusion Policy Health Chart

on the 6th page of this handbook

How You Can Help at Home

Practice the following 3 things with your child to help them be safe

- -20 second handwashing that scrubs the front and back of the hands including thumbs, in between fingers and under fingernails
- -Sneezing and coughing into the crook of the elbow or tissue and immediate handwashing afterward -Keeping fingers out of noses, mouths and eyes

Illness & Medications

Please keep your child at home when he/she is ill and or displays the following:

- * Looks or acts too ill to participate
- * Has a temperature (fever)
- * Has oozing lesions untreated or unable to be covered
- * Has difficulty breathing
- * Bloody or black stool
- * No urine output in 8 hours
- * Vomiting more than twice in 24 hours
- * Uncontrolled diarrhea
- * An undiagnosed rash

If your child becomes ill whilst at camp, we will contact you immediately and ask you to collect him/her.

We will ask what your children's regular base temperature is when you start at our camp, and if your child's temperature raises, we will contact you and ask you to collect your child as soon as possible. Teachers monitor children closely, so we are aware quickly when your child is not well. A temperature of 99.5F or above will be sent home immediately.

Your child must stay home for at least 24 hours from when they are sent home from school with a fever or other condition.

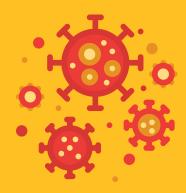

Contagious or other diseases

We consider contagious diseases to include:

Influenza Measles Rubella (German Measles) Mumps

Chicken Pox Conjunctivitis (Pink Eye)

Strep-to-coccus Throat
SARS
Ringworm
Meningitis
Hepatitis A
5th Disease
Adenovirus
COVID-19

Your child must remain away from camp should he/her contract any of these diseases or <u>anyone living in the same house</u> as your child contracts any of these. You will need to provide us with a doctor's certificate detailing when your child has been cured before he/she will be permitted to re-enter our programs.

Additional Exclusions are listed in the Health Policy attached to the end of this handbook..

Medication

Whenever possible, medication should be administered at home. However, when it is necessary to be given at camp, our policy is:

- 1. Please administer the first dose at home to check for an allergic reaction
- 2. Pass the medication to the classroom teacher and include with it a completed Medical Permission Form (available from the Preschool Office or your class teacher).

Water Play

Children will be playing in the wading pool when the weather permits. All children look forward to pool time, but we will look carefully for any of the following signs. If we see any, we are sorry but we will not take children to the pool. Please stay at home until symptoms pass for 24 hours. Children may attend school with a running nose, however we hesitate to allow them into the pool. Please understand these conditions.

Please keep your child home if they have...

As we will go to
the pool everyday, if you
feel your child should
not go into the pool we must
ask you to please stay at home,
as we do not have the
staffing numbers to have one
child stay in the
class with one teacher,
as we will be short a
teacher at the pool.

- a fever (99.5°F up) (37.5°C)
- diarrhea
- vomiting
- running nose with coughing
- pink eye or sty without treatment
- suspected contagious virus

***If it is raining or the temperature is below 75°F or 23°C, we will not swim and we ask that the children to be picked up at the gym or classroom.

For those enrolled in the Half Day Session (8:10am-12pm) Pick up Location will be at either the

Wading Pool or Gym

the teachers will let you know each morning.

If you wish, please apply to your child **BEFORE** coming to camp.

Communications

Weekly Reports and Photo Links

Every Friday you will receive a report about the week, the activities, what the children did and learned and what they enjoyed the most.

You will also receive a google photo link with the week's photos.

Photos CANNOT be shared on SOCIAL MEDIA

Photos may only be shared within your family, and you must ensure
all photos remain private and confidential.

Please do not share the photo link with others.

Child-Specific Information:

During arrival and dismissal times, staff members must devote full attention to all of the children.

Please keep conversations brief. If you need to communicate specific information, a written note or email is preferred.

If, at any time, you have special concerns, please feel free to contact the preschool director – use email, send a note, call the preschool office or the main office to leave a message. During camp hours, teachers cannot accept phone calls. If you have a message for a teacher during camp hours, please call or email the office, and we will relay the message. The teacher will respond as soon as possible.

Please <u>DO NOT discuss</u> problems or concerns in the presence of your child or other parents.

If you wish to talk to the teacher about any changes at home or within the family (i.e., parent on a trip, family member in the hospital, sick grandparent). These changes can affect your child's behavior, and it is useful for staff to be aware of these developments. We will always respect your privacy.

If your child is going to be out of camp for any reasons, please let the preschool director know (03-3224-6985).

For illness, please contact us immediately – this is especially important so that we can inform families of any communicable disease symptoms while maintaining confidentiality.

In addition, teachers and children miss a child when they are absent, so they would like to know that the child is okay.
